

Secluded haven

West Lodge Park Hotel is an exceptional Regency style, four-star hotel with a history dating back to the fifteenth century and traditions of service second to none. A secluded haven set in thirty-five acres of grounds, the hotel is just twelve miles from central London and one mile from the M25.

Approached by a tree-lined driveway, West Lodge Park offers stately reception rooms, sumptuous furnishings, grand open fires and a conservatory overlooking the beautiful arboretum and gardens. The highest rated four-star hotel in Hertfordshire and North London, West Lodge Park is a unique wedding venue in idyllic surroundings. Licensed to hold civil ceremonies wedding parties of any size can be accommodated.

Head Chef Wayne Turner and his team of experienced staff have achieved two AA rosettes for their exceptional standard of cuisine. Sommelier Anthony Browning is

on hand to offer expert advice on your choice of champagne, wine and cognac, whilst General Manager David Williams ensures that the whole day runs smoothly, allowing the bride and groom to relax and enjoy their special day.

Artistic venue

Beales Hotel, Hatfield is a unique, four-star venue inspired by a collection of modern artwork. A recent £5 million redevelopment has created a stunning hotel of unparalleled design.

Bedrooms are furnished with flat screen televisions, natural feather duvets, mounds of pillows, cushions and throws. Guests are wrapped in sumptuous bathrobes and towels, and warmed by under-floor heating.

A mural depicting a forest at night adorns the walls of *OutsideIn*, the restaurant where guests choose from a wide selection of modern dishes. With a license for civil cer-

emonies Beales Hotel, Hatfield is the ultimate venue for a bride's special day. The whole day and evening celebrations can be accommodated at the hotel with a professional team of staff on hand to provide support and guidance throughout all arrangements.

Beales Hotels is a long established Hertfordshire company with a tradition of quality and service which is second to none.

Established in 1769 the company is now run by the eighth generation family member, Andrew Beale.
