

## ***Beales Chef gets cream of the crop from the best pick-your-own farm***

Beales Head Chef Wayne Turner has found the perfect produce for his menu, right on his doorstep.

Parkside Farm, Hadley Wood Road, Enfield has been voted the best pick-your-own farm in the UK and sits just up the road from West Lodge Park Hotel.

With 50 acres the farm produces a wide variety of fruit and seasonal vegetables including strawberries, raspberries, plums, broad beans, beetroot, spinach, marrows, tomatoes and onions.

Chef Wayne Turner is in charge of the Mary Beale Restaurant at West Lodge Park Hotel and has been hand picking fruit at the farm :

“Buying local is very important to us and having an award winning farm on our doorstep is fantastic. This lovely seasonal produce can go from the field to being served at the table in West Lodge Park in less than an hour, you simply can’t get fresher than that,” said Wayne.
