Halal Product.

Direct Meats do not supply Halal Beef, Veal or Lamb unless requested by the customer and only with notice as we do not stock these products.

Most poultry in Britain is killed under the Halal banner, however there are 2 different Halal Authorities, The Halal Food Authority (HFA) they stun the birds before slaughter, and The Sharia Halal Board, they do not stun before slaughter.

Direct Meats source white chicken from Jack Brands, they use the HFA method, there for the chickens are stunned before slaughter.
